

The Camp Bay Road vacation application (FileVS0002-21-1) is tentatively scheduled to be re-heard on Wednesday, January 5. Camp Bay Road has been a public, tax-supported road for over 110 years. It dead-ends at the high water mark of Lake Pend Orielle, providing legal, public access to the lake. The applicant/developer wishes the county to give up the last 2550 feet (approximately 2.93 acres) of the road so that it can be gated, allowing lake access only to the private homeowners beyond the gate. The County can vacate the road, which they did in April, only if it is “in the public interest.” They need to be convinced that it is NOT.
